You are different. Gifted. Yes, yes, you are a Gifted. You are beyond death, like that walking carcass that did this to me.
- **Jolan:** I...my mind...I cannot recall it clearly. It happened so fast. We were surprised; Vannes, Illinos and I. I remember them calling out as he fell upon us. I remember Vannes shouting a name...Urden.
- **Jolan:** Yes, that was the monster's name. Urden. A creature of the Withered Aegis. Gifted, I have a request of you. I need you to be my instrument of vengeance. Destroy Urden, as he has destroyed me. I do not know where he has hidden himself away. Maybe some one in Kion can help you. She must surely be worried about me. But please, when you tell her, be gentle. She was the greatest thing in my life, I miss her greatly.

Step 2: Find an Annis in Parsinia and tell her about Jolan's fate.

- **Annis:** Yes? Can I help you? I'm sorry? What? Jolan? You have news of him? What? No...no. I had feared the worst, but this is terrible? He was investigating the spider island with his friends, Vannes and Illinos, when they disappeared. We have had no word of any of them for many weeks. If Jolan is dead, I have no idea what could have become of the other two. %name%, I will go visit him as soon as a can. Could you take this ring to him? While we were being attacked, they shouted out Urden's name. We had never heard of him before...and why did they not come to aid me in my fight? Would they...? Was this all a trap? No! - **Jolan:** Gifted, I have one final task for you. When we were cubs, the three of us would hide on the island to the west of Parsinia. On that island there are two lakes. We would escape our chores and hide on the northern shore of the smaller pond. Vannes and Illinos will surely be there. If they attack you, that will be all the proof you need of their treachery. Give me this last bit of revenge, and I will be at peace.

Step 2: Search for Vannes and Illinos.

Ah, Vannes....Illinos, how could you? You were my closest friend. And you sold me out to those monsters, condemned me to this wandering. I thank you, Gifted. You have done much for me that I cannot repay. You have my thanks.

The Head of Urden

Constraints:

Quest Incomplete

(QUEST_LesserAradoth_Kion_CommanderJaleoDevins_15_UrdensHead)

Step 1 Talk to Commander Jaleo Devins:

- **Jaleo:** Urden? That traitor? He was a member of the Kion Militia until the Withered Aegis corrupted him. He was one of the most vicious warriors I'd ever seen. Merciless. Bloodthirsty. I doubt the Withered Aegis even had to tempt him. They probably just offered him more things to kill. There's been a bounty on his head for years now, but no one has been able to claim it.

- **Jaleo:** You are either very brave or very stupid, %race%. From what I've heard, Urden has built himself a bit of a stronghold in the interior of the island. Look for blighted land on a hilltop directly south of the volcano. You'll need to find the bridge to cross into Urden's domain. If you manage to kill him, bring me proof. That's one bounty I'll be more than happy to payout.

Step 2: Slay the traitor Urden claim his head.

Timeout : 0, 0

- Loot: Urden's Head
- Feedback Message: You have Urden's head, return it to Commander Jaleo Devins to claim the bounty.

Step 3: Return to Commander Jaleo Devins in Kion with Urden's head.

- **Jaleo:** Well skin me and use me for a rug, you killed him. I don't believe it. Ha! Well then, I guess you'll be wanting your reward. You've done a great service to the people of Kion today. You have our thanks.
